Instrumental music lessons

If your child is interested in learning to play a musical instrument through Oxfordshire County Music Service, then you can find all details about how to apply to do so on this page <https://www.oxfordshire.gov.uk/residents/music-service/music-lessons/learning-instrument>

The music service will work directly with you to arrange lessons, instrument hire (if required) and payment (free lessons are available for children of families on certain benefits). Lessons can take place in school, this would be arranged between the music service and the school depending on levels of interest and availability of peripatetic music teachers.

WANTED

School is currently in need of an old (but working) mobile phone, some paving slabs (of any shape / size - to cover 4 square metres), some guttering, some freestanding shelves and some wellies!

If you have any of the above that you can donate to school, please let Emily know. Thank you!

SEREN LEMAIRE & MADELEINE FREUDENFELD

Seren and Madeleine both started judo when they were 4 years old and have been doing it for many years. They both won medals in local competitions and were then invited to go to the Oxfordshire judo squad. They both went on to win medals and trophies at regional and then at national level. Now they are a bit older, they help Mr Gerrans at his other clubs to teach judo to younger children, as well as helping out at competitions. Madeleine has won national gold medals and is the current British Judo Council Champion, whereas Seren has stepped away from competing at a national level and has started to do refereeing at local competitions.

Tommy-

They took time to do the things that are important to them in life.
