

Charity abseil

Each year, our pupil leadership charity group plans fundraisers for the school's 'adopted' charity, which is Oxfordshire Wildlife Rescue. OWR are an incredible charity who work hard to rescue, care for and rehabilitate any sick, injured, or orphaned British wildlife, no matter how large or small!

This year, the leadership group haven't managed the usual amount of fundraising events, as they had one very ambitious (and brave) idea at the start of the year. **They are going abseiling!** Although there's only 8 of them, they are putting their all into raising money for OWR, so please, if you want to sponsor them, the link to their just giving page is here: www.justgiving.com/page/st-peters-ce-primary-cassington-3 Alternatively you can pop some money into an envelope and bring it to the office, or fill in the sponsor form for one of the charity group children. Thank you so much for anything you can give. (If you want to learn more about OWR, visit their webpage <http://www.oxfordshirewildliferescue.co.uk> or facebook page)

Coffee Morning at St Peter's School for parents/carers

Wednesday 4th June from 8:30 - 9:30

At St Peter's we have started to work with the Mental Health Support Team. We would like to invite parents/carers to a coffee morning where you can meet Olivia (our link Mental Health Support Worker) with myself and hear about the work she can do with us at school and ask any questions that you may have about her support at St Peter's.

Below is a little bit of information about the team and what they do. If you have any questions, please let me know.

We look forward to seeing some of you at the coffee morning.

Mrs Glass

Hello, I'm your Education Mental Health Practitioner (EMHP)!

I work for the MHST, which is an early-intervention team within Oxfordshire CAMHS. As an EMHP, I deliver 1:1 and group work with children, young people, and families. I also work with school staff to support their whole-school approach to mental health and wellbeing. Our team is made up of EMHPs, Supervisors, CBT Therapists, Managers and Administrators.

How can I help individuals? In line with Government Policy to Increase Access to Mental Health and Wellbeing Support for Children and Young People (2017) part of my role as an EMHP is to deliver low-intensity CBT informed interventions when Children and Young People are experiencing emerging, mild-moderate difficulties with their mental health; including **anxiety, low mood**, and challenging **behaviour**. These interventions typically last between 6-8 sessions and require a commitment to completing some work between sessions!

How can I help your school? The whole-school approach (WSA) is a commitment to promoting positive mental health and wellbeing for children at all levels; the individual, their families, and school staff. I collaborate with school to identify areas of need (e.g., supporting pupils with exam stress or running parent workshops on child anxiety) and help to establish approaches that supports managing wellbeing difficulties. This can be done through coffee mornings, workshops, staff training sessions.

If our MHST service cannot meet your needs or the needs of your school in a certain situation, I can signpost you to other services and resources that may be more appropriate. For example, within the CAMHS service, we have regular communication with other teams (e.g., Neurodevelopmental Conditions (NDC) Team for assessments for neurodiversity).

How to seek support: Your Senior Mental Health Lead/SENDCo and I meet for regular consultation meetings, to plan coffee mornings or themed workshops and discuss support for individual families. If they feel you may benefit from our team's support and a low-intensity CBT intervention, we will ask for your consent to be considered for referral and to access any existing mental health records. Teachers and school staff can also consider any WSA topics and training of interest with your Senior Mental Health Lead/SENDCo.

Cassington Bike Night

Monday 30th June

It's that time of year again... Cassington Bike Night - the largest fundraiser for St Peter's School and our children.

We are looking for parents, carers and friends to come and support some of the major functions to make this event happen!

We know time is precious and it is a juggle when you have children but if you are able to spare an hour on the night it would be really appreciated.

We are looking for help with:

- BBQ: we need cookers, makers, servers and order takers - contact Sophie Fisher (George's mum) or Harriet Chudry (Yasmeena and Zaheer's mum)
- Bucket shakers - contact Ami Thomson (Zoe and Eddie's mum)
- Helmet store - contact Abrar Chudry (Yasmeena and Zaheer's dad)
- Café: help serve teas and coffees - contact Charlotte Metcalf (Jasper's mum)
- Donate cakes for the café - contact Joanna Seidel (Leo, Alicia and Philipp's mum)
- Marshals on the school field - contact Emily Lemaire
- Or if you can help but don't mind where, contact any of the SPSA team or email spsavol@gmail.com

All helpers get a free burger and drink!

Calendar

- Friday 11th - **Leavers** service - 2pm at the church
- Monday 14th - Willow class **Play** - 6pm

Reading Challenge

Friday 23rd May – Friday 20th June

This year, the SPSA is organising a Reading Challenge to help raise valuable funds for school activities. The forthcoming Reading Challenge will be a useful platform to further inspire and foster the children's continuing journey through the worlds of literature, magic and adventure! In addition, each pupil who participates will help to raise money for the SPSA, receive a certificate, and earn 10 team points.

This Friday, 23rd May, all pupils from Reception to Year 6 will be given a Reading Challenge form to take home. It will also be sent by school post. On the form, the pupils can write the titles of the books they read over the next month. These can include comics and audio books, and for the younger pupils, books that parents, family members and friends read to them. Maybe they could be sponsored to read a certain number of books or chapters, or read for a certain amount of time each day? The Reading Challenge is not a competition to see who reads the most books but is rather a practical prompt to promote reading in a friendly, good-spirited way while simultaneously raising money for the SPSA.

Should you wish your child to participate, it would be greatly appreciated. We would also be most grateful if all Reading Challenge forms could be returned to the office in a named envelope with any monies you wish to donate, by **Friday 20th June**.

Finally, we wish you all a peaceful break with contented children happily engrossed in their chosen books!
