I want a challenge	
I can do it!	
I can focus	

I can show I am excited by a challenge	
I can choose to keep going when things are hard	
I can focus for a longer period of time	
I can develop and learn from my mistakes	

- I can **show** perseverance and keep going when times are tough
- I can **choose** to ignore distractions
- I can **demonstrate** enthusiasm for a challenge
- I can **identify** emerging patterns
- I can **apply** concentration for a long time
- I can **develop** and learn from my mistakes

Your children will recognise these posters from their class. You may find these useful to use at home and to help reinforce what we are doing in school.

BE SMART ONLINE

S

SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M

MEET

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R

RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T

TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART
