## Arbor

### Arbor

Arbor is now set up to manage the consent and payment for all trips. There will be no further trips sent on ParentMail. We will also be using Arbor for absence reporting & parents evenings.

The only things still on ParentMail are the bookings and payments for wraparound care, and payments for Bookbags and PE bags. These will continue until September.

SchoolGrid will still be used for dinners, and Apple Tree will continue using Tapestry.

We are aware that there have been some teething problems with Arbor—the main ones being that not everyone has received emails, and that it's not as easy as ParentMail to navigate! The problems with emails not sending to everyone has now been resolved, so if you continue to have problems, please do let me know.

Please see the page near the end of this newsletter for a help guide for trips on Arbor!

## World Book Day - Thursday 5<sup>th</sup> March

Come dressed up as your favourite book character!

We will be having dance workshops throughout the day, so either something that's not too restrictive, or something that can be easily removed!

What an adventure we have been on this term in Apple Tree class! We have been learning about explorers and different ways you can travel around the world. The children have been thinking about different modes of transport and compared these to transport years ago. They looked at similarities and differences between them and thought about how they might work. They then moved on to exploring maps and recognising how maps can help us get somewhere or how they can create a map of a journey or place. They worked really hard to think about their journey to school and what they might see, to add it onto their map. This also made us think about the differences between a town/city and the countryside. They were able to recognise

that a city has tall buildings and busy roads whereas a village has a lot more green areas and not so many buildings. They found England on the globe and found out about Amelia Earhart - the first woman to fly solo across the Atlantic Ocean! The children found her very inspiring and it helped them to see that dreams can come true, if you have a goal in life! Our artist this term was Henry Matisse, who used a collaging technique to create his artwork. The children cut out shapes of different materials and layered them together using glue to create their own transport picture. The children finished the term with bringing all the information they've learnt about transport into a workshop with 'perform' where they were able to act out the different modes of transport and play a game of car tag.

The children have loved playing and using their imagination in our revamped mud kitchen. The children were very supportive and helpful as we dug and moved it around and added new materials. They couldn't wait to get exploring and the creations that are being made in there are brilliant. We can really see their imaginations working as they bake and create together. They got to bake in real life at Forest school this week, to celebrate pancake day. They were able to enjoy some lovely pancakes, cooked on the campfire, before finishing the week in class with a Chinese buffet to celebrate Chinese/Luna new year.

# After School Clubs' Forest Adventures

The activities will include:

- Planting sunflowers and decorating the pots
- Exploring the new bird hide
- Plastic Easter egg hunt around the forest area.

We would ask that on this day if your child/children are attending after school club please can you collect them from the forest tots gate down the lane next to the school (where an adult will let you in to collect your child).

Please can you aim to collect at 4.15 or 5.15 to enable us to enjoy the full list of adventures.

Please send you child with a change of clothes (trousers and long sleeves) and waterproofs.

Snack will include: S'mores, hot chocolate with cream and marshmallows around the campfire.

Tuesday 10<sup>th</sup> March 2026

This is open to **everyone** to book in the usual way.

**Same price as a usual session**

(£6 until 4:15pm, or £12 until 5:15pm)

Keep a look out for other exciting activities at After School Club— including new LEGO club every Tuesday!

Here are the details of the books which were shared in celebration assembly last week. You might want to look out for one of these when you are choosing your next book. Happy reading!

**The Jolly Postman**  
by Janet and Allan Ahlberg

This book is about a jolly postman who came one day, far over the hills. He gave letters to everyone.

This book would be suitable for all ages up to 7.

I would recommend this book because it's really good. It has got 5 letters, 1 postcard and 1 birthday card.

**Louie, Oak**

**The Land of Silly School**  
by Enid Blyton

This book is about a group of children who go to a land and meet a very horrible teacher!

My favourite part of the book is when Dame Snap writes questions without an answer.

I liked all the characters.

I would recommend this book to children up to Year 5.

**Celia, Maple**

**Journey to the River Sea**  
by Eva Ibbotson

It's about a girl, called Maia, who has to travel to the Amazon to find her only relatives. She imagines two kind girls, but she finds two absolutely horrible girls. She meets Finn, Clovis and Miss Minton her governess.

It is a beautiful book full of wildlife, animals and adventure.

Sometimes there is tragedy, but it is always resolved.

**Libby, Willow**

**Impossible Creatures**  
by Katherine Rundell

In this first book of the series, Christopher discovers a way-between from our world to the Archipelago - a cluster of magical islands. He meets Mal who has a flying coat and a baby griffin.

There are a host of fantasy mythical creatures, which Katherine Rundell describes beautifully with a touch of humour at times. If you love fantasy fiction such as Narnia, Harry Potter or books by Philip Pullman then you will certainly enjoy this. It's suitable for anyone aged 9 and above - adults too!

**Mrs Carter**

## Inspired by World Book Day and in true Willy Wonka style the SPSA team are organising a **Golden (Lucky) Ticket chocolate bar sale!**

The lucky winners who find a Golden Ticket in their bar will win delights such as story time and hot chocolate with 'Willy Wonka' himself (on World Book Day) or books, and possibly more!

Chocolate bars will be £1 a bar and some of them will include a Golden Ticket. We will be selling the bars outside school on Wednesday 4<sup>th</sup> March but as we know that not everyone is available in person then, we have organised for you to **pre-order** 1 or multiple bars (as many as you like) for your St Peter's' child or children – just email us on [spsavol@gmail.com](mailto:spsavol@gmail.com)

All proceeds, as usual, go to the school.

# A Message from Mr Jeffries

Dear Parents and Carers,

It has been an action-packed end to the term with lots going on. Yesterday, Maple class had a trip to Chedworth Roman Villa. Despite the damp and cold weather, the children had a great time and engaged in all the activities really well. A favourite was the 'sponge on a stick' for the latrine! Behaviour was exceptional and all in all a great way to further their understanding of the Romans in context.

On Wednesday Willow class hosted parents and some residents from Churchfields in the school hall for their WWII afternoon. The children did an amazing job presenting their work. There was a range of different projects including posters, scaled drawings, PowerPoint presentations and interactive media. The level of effort the children went to was admirable.

On Monday and Tuesday at the church, we held a Prayer space using BeSpace resources. Our chaplain, Heather, did lots of organising behind the scenes to make this happen and we are extremely grateful to Revd Duncan for assembling the volunteers and helping the days run so smoothly.

On Tuesday, Oak class had their Pirates Day and it was great to see all of the children come in their pirate themed fancy dress. They had a workshop which involved story telling and creative movement and the children had a huge amount of fun. On Wednesday Oak parents were invited in to see the children's artwork and 3D map making; it was lovely for the children to be taking pride in this and showcasing their efforts.

Apple Tree have also had a fun week with celebrating Chinese new year with some food tasting, and also making pancakes on the fire in forest school! Read more about their Beep Beep workshop elsewhere in the newsletter.

Today has been Break the Rules Day and the children took full advantage of the opportunity to come out of uniform and with some very funky hair! This raised around £220 (both cash and online donations) for the SPSA which goes towards things like contributions to school trips. Thank you SPSA team for organising this.

On a staffing note, Mrs Humphris will be leaving us next term on the 13th March. She has been with us for three years during which time she has developed the skills to be an outstanding TA. We wish Mrs Humphris good luck as she takes up other opportunities in education.

We are also saying good bye to Miss Bird today who has been with us since September half term, mainly supporting in Apple Tree but also across the whole school. Miss Bird now has exciting plans for the remainder of her gap year before starting university in September. I am sure we will be seeing her again!

Have a lovely half-term break.

## How to register your child for a trip using the Parent Portal or Parent App.

Please note that once you have signed up, you will need to contact your school if you would like to cancel participation or would like a refund.

1. From the main Parent Portal page, click on the Trips field within the Activities section.

2. The Trips main page features three sections - Upcoming Trips are any trips the child is currently registered for, Past Trips are trips which have taken place and Trips Open are any trips that the child can currently be registered for.

3. To start registering a child for a trip, click on the desired trip in the Trips Open section.

4. On the Trip Overview page, you can see details relating to the trip such as date, time and price. Click on Sign Up to begin the registration process.

### Free trips

1. A slide over menu will appear where you can add consent for the trip by ticking the checkbox and ticking Add Consent.

2. Once consents have been confirmed, you will be taken back to the Trip Overview page. You will now see that the Status field will have been updated to confirmed (assuming consent was not refused).

3. When returning to the All Trips page, the trip will now be displayed in Upcoming Trips, rather than the Open Trips section.

### Paid Trips

1. With trips that require a payment, the process is slightly different. When registering the student for a paid trip, click the trip to be taken to the trip overview page. Click the Sign Up button.

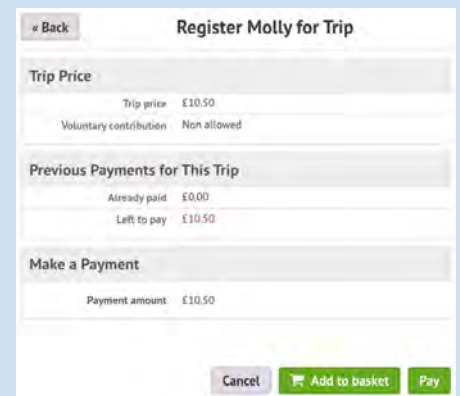

There is no option to consent for a paid

trip, as the student's place is instead confirmed by the payment made towards it.

2. A slide over will appear where you can add the amount you will pay.

3. You can then pay now or add the payment to your basket to pay later.

If you've paid the full price of the trip, the status of the trip will then change to confirmed, and the trip will appear on the All Trips page in the Upcoming Trips, rather than the Open Trips section

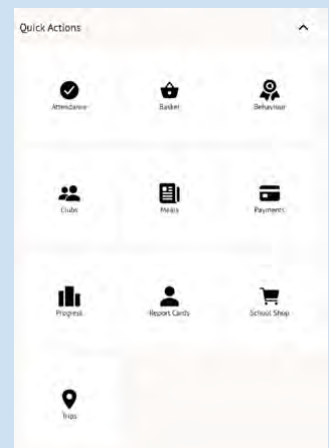

## How to manage payments for Trips on the Arbor Parent App.

Once you have logged into the Arbor App, tap **Quick Actions** and tap **Trips** to browse available payment options. You can also navigate straight to your basket from here if you already have items in it.

### Adding a Trip to Your Basket

To add trips to your basket, follow these steps:

1. Navigate to the **Trips** section of the Parent App
2. Browse the available trips and select the one you would like to sign up for
3. Tap **Add to Basket**
4. Navigate to the basket via the **Quick Actions** or the **Menu**

the

## Make the Bedroom Sleep-Friendly

- Keep it cool, quiet, and dark
- Use a nightlight if your child prefers
- Make sure the bed is comfy and only used for sleep (not homework or games)

## Watch What (and When) They Eat

- Avoid sugary snacks and caffeine (like chocolate) in the evening
- Try to finish dinner at least 1 hour before bed
- A light snack like toast or a banana can help if they're hungry

## What If They Can't Fall Asleep?

It's normal for kids to take 15–30 minutes to fall asleep. If they're struggling:

- Encourage them to stay in bed and relax (deep breathing or imagining a calm place can help)
- Avoid letting them get up to play or watch TV
- Reassure them gently, but keep things low-key

## FINAL TIP

### Be Patient and Consistent

Good sleep habits take time to build. Stick with the routine, stay calm during setbacks and celebrate small wins. Your child's sleep will improve – and so will yours!

Oak

Maple / Willow

Responsibility

I can choose to help others

I can show care for the school and equipment

I can demonstrate good choices

Responsibility

I can demonstrate care for the world around me

I can choose to put others' needs before my own

I can explain the importance of playing my part

Responsibility

- I can build awareness of myself
- I can show I own my actions
- I can demonstrate maturity and take initiative
- I can discuss the importance of playing my part
- I can imagine others' feelings
- I can influence by creating positive ripples

Your children will recognise these posters from their class. You may find these useful to use at home and to help reinforce what we are doing in school.

These are some slides from our assembly this week. Discuss and ask your child:

Which parts of their identity did they decide to share online?

Which parts haven't they shared?

How can someone change their identity online? E.g. a different picture or avatar, change screen name, profile information etc.

Which parts of your identity would you feel happy to share online via a game, video platform or social media?

Self-image and identity

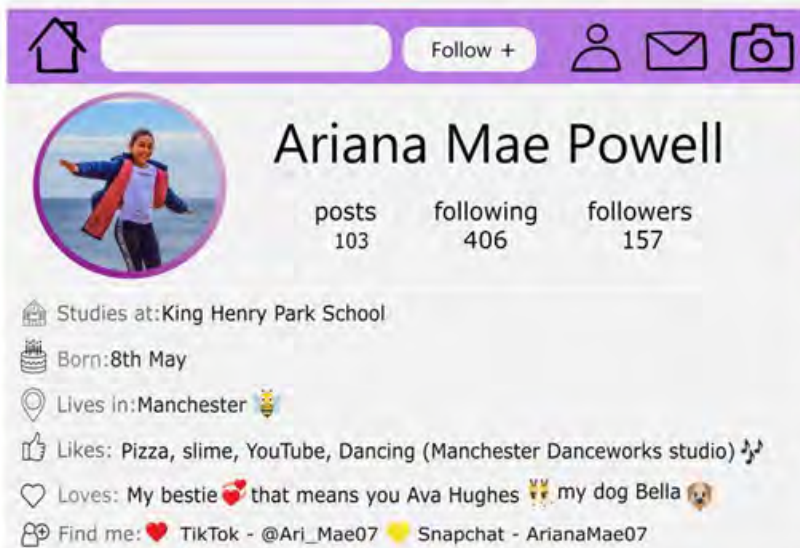

## Identifying online profiles

- I can explain what is meant by the term 'identity'.
- I can explain how people can represent themselves in different ways online.
- I can explain ways in which someone might change their identity depending on what they are doing online (e.g. gaming; using an avatar; social media) and why.

# BE SMART ONLINE

## S

### SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

## M

### MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

## A

### ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

## R

### RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

## T

### TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

## BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
