

**Senses**

**sight**

**hearing**

**touch**

**taste**

**smell**

**Science: Animals Including Humans**  
**Oak Class Spring 2 2024**

- Key Concepts:**
- identify, name, draw and label the basic parts of the human body
  - Say which part of the body is associated with each sense.
- Working Scientifically:**
- Ask simple questions and recognise that they can be answered in different ways.
  - Perform simple tests
  - Use observations and ideas to suggest answers to questions.
  - Gather and record data to help answer questions.

**Vocabulary:**  
feet, ear, eye, shoulder, arm, elbow, knee, leg, hand, finger, head, nose, mouth, teeth, thumb, toes, sight, hearing, taste, smell, touch, senses, plan, test, record, review

- Key Questions:**
- What are the main parts of the human body called?
  - Which parts of the body are the five senses linked to?
  - What tests can we do to investigate our senses?

**Global Citizenship:** critical and creative thinking
