

People Who Help Us

Home Learning Challenges

Learn your address and practise what you would say if you were in an emergency, and had to call 999.

Create your own emergency vehicle. Think about its features - sirens, hoses/pipes and ladders, bright colours. You could make your vehicles out of old boxes, bottle tops and cardboard tubes.

If 5 children are waiting to cross the road and the lollipop person takes 2 across, how many are left to cross? You could draw a picture or use your fingers to help you work out the answer.

Make your own 'people who help us' costume. Borrow an adult's hat to be a helmet or a shirt to be a doctor's coat. Pretend you are the person who is helping. What would you do? What would you say?
