## Book Review

By: EMI-LOU MAY & LEIRE MARTIN

Book title: DOCTOSAURUS

About my book: THIS IS A FUN RHYMING BOOK ABOUT  
A KIND DINOSAUR DOCTOR WHO MAKES LOTS OF  
POORLY DINOSAURS BETTER. THEY HAVE ALLERGIES, CUTS,  
SNEEZES, SPLINTERS & BLOATED TUMMIES. LIBBY LOVES  
SHOUTING "BLOW!" WHEN THE BIG T-REX NEEDS TO  
BLOW HIS NOSE!

Here is a picture of my favourite part...
