Book Review

Book Title: Dragon Jelly

My star rating: ★★★★★

Author: Claire Freedom

Genre: children fiction fun

My name: Osiar Jones

Briefly describe the book:

It is Max's birthday, he invites 5 friends they play 6 games. Pass the Parcel, Magic, bounce castle, paddling pool, stinky breath contest and hide and seek. Then they have tea, there is Coca-colas, beetle biscuits, a keyball cake and spider burgers. They have the eye ball cake then have a big food fight with the left over. Then it is the Dragon JELLY. It's red hot, steam comes out of Max's ears. The monsters take home goody bags with tiny fiery dragons.

Discuss what you particularly liked about the book:

I like the comedy, fun and the characters. My favourite character is the monster pirate because he doesn't do as much disgusting stuff. I like the fun because they have lots of fun and it gets really funny like when Max jumps out the bin. And the comedy for the tea when they're eating all the goody stuff, and I like the comedy in that.

Mention any dislikes about the book:

The dislike is that Max is not a very monstrous name. The second dislike is that I think it should be called monster birthday not dragon jelly.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I recommend for 3-7 year olds or people that like birthdays and monsters. It is similar to the noisy night monsters and the kitchen disco.
