Book review by: Isla

Title: The Princess and the Present

Author: Carol Hart

Non fiction

Fiction

What is the book about? called
a little girl ~~called~~ Sophie
and she is a little selfish.
for her birthday she
demandas lots of presents
and shouts at all of

her servanes and her dad. The castle
falls down and she realises she has been

Who would this book be suitable for? Age / interests selfish and only
3+ learning to be kind and daddy

that people are more important

than things to be happy

to.

Would you recommend the book? Why?

Yes because there is lots
of presents in the
book
