

Book Title: Beyond the sky! You and the universe

My star rating: ★★★★★

Author: Dara O'Brain

Genre: Space, funny, non-fiction

My name: Karys

Briefly describe the book:

Dara makes space easy to understand and fun to read about. He makes jokes and "interacts" with the reader. The illustrations are the best I've ever seen and he is an absolutely absolutely fantastic author.

Discuss what you particularly liked about the book:

There is nothing not to like! This is my favourite book and I cannot get enough of it. The writing is spectacular, the illustrations are masterpieces, and the examples he gives are hilarious!

Mention any dislikes about the book:

I've read this book 20 times and haven't found anything I don't like.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

Maple and Willow. Cosmic by Frank Cottrell Boyce is similar to this book but it is unique in it's own way.
