Book Review

Book Title: A Midsummer's Night's Dream My star rating: ★★★★★
 Author: (Originally Shakespeare) Andrew Matthews
 Genre: Love and Magic My name: Maya Bath

Briefly describe the book:

Heremia is due to marry Demetrius but he is cold hearted and she wants to marry Lysander instead. Helena (Heremia's friend) is in love with Demetrius. Oberon (the king of the fairies) wants revenge on his wife for she is fussing over her page.

Discuss what you particularly liked about the book:

What I particularly liked about the book was the end bit where Bottom changed back into human form to write a poem about that story and he thought the king would give him gold.

Mention any dislikes about the book:

I disliked Demetrius as he was so sour and rude to Helena when she loved him so much. Apart from that it was amazing.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would definitely recommend this book to ages 9-11 as it can be quite mad and consequently funny!
