Book Title: Harry Potter + the chamber of secrets

My star rating: ★ ★ ★ ★ ★

Author: J. K. Rowling

My name: Charlie C (willow)

Genre: Fiction

Briefly describe the book:

Harry Potter is warned by Dobby (a house elf) not to go to Hogwarts but he does anyway. Dobby warns Harry as Lord Voldemort (an evil wizard) wants to kill Harry to return to power...

Discuss what you particularly liked about the book:

I like how Lord Voldemort is returning to power by the minute. I also like Tom Riddle's (Lord Voldemort's) diary which replies to Harry. I like how the chamber is where Tom Riddle is and he fights Harry Potter.

Mention any dislikes about the book:

It was a bit simple however I have read other Harry Potters and they are detailed.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend this book to imaginative brains! It is a lot different than a mystery murder book. So if you like mystery then you might not want to read it but it is good to have a variety.
