## Book Review

Book Title: Which Witch?  
Author: Eva Ibbotson  
Genre: Magical

My star rating: ★★★★★  
My name: Abbie M

Briefly describe the book:

A really powerful wizard named Arrimon wants to marry a really black witch so he holds a contest to see who is the most black. But a white witch ~~is~~ also wants to marry him. She needs to try and become black in a matter of days.

Discuss what you particularly liked about the book:

I liked the part where each witch does their trick because it is funny when all the other black witches get it wrong.

Mention any dislikes about the book:

I didn't like the last few chapters of the book because I thought they were very rushed and not as good as the rest of the book.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend this book to people who like the idea of magic, witches and animals. This book is similar to the worst witch books because of the witch's.
