Title: Demon dentist

Author: David Williams

Non fiction  Fiction  ★★★★★

Who is your favourite character and why?

I like Mrs Root because she is suspicious and she gives people sweets to get there teeth out.

What is the book about?

It is about a boy who never goes to a dentist because the dentist pulled the wrong teeth out but there is a new dentist who has a way of getting him there.

Who is this book suitable for and would you recommend it?

I would recommend it to 3 and above because it is a bit gruesome and gross.

What's your favourite part of the book? Why?

where the demon sneaks around the house at night and instead of money give horrible stuff like a dead adder
