## Book Review

Book Title: code name Bananas My star rating: ★★★★★

Author: David Walliams My name: charlie r.j.

Genre: comedy - action

Briefly describe the book:  
 Code name banana is a funny book written by David Walliams. The genre is, I think comedy + action because at one part they jump onto a moving truck.

Discuss what you particularly liked about the book:  
 I liked the way it's set like them jumping over ~~the~~ The ~~the~~ Thames and getting your <sup>hopes up</sup> because you think ~~the~~ Joe's going to die but doesn't and stays alive.

Mention any dislikes about the book:  
 Don't have any. Sorry.

Would you recommend this book, and if so, for whom?  
 Compare to other similar books you have read:  
 I would recommend it to oak and over. I similar to Bad Dad (another story by David Walliams). Joe is on top of a car and they hit a ramp and somehow manages to stay on ~~the~~ top of the car.
