Book Review

Book Title: The 104-story treehouse
 Author: Andy Griffiths
 Genre: Comedy

My star rating: ★ ★ ★ ★ ★
 My name: Thomas A

Briefly describe the book:

Andy and Terry live in a 104-story treehouse. Andy and Terry must buy a joke-writer 2,000 for their new book, but many problems stand in their way, such as 100 bears, a honey/money machine, enormous ears, Mount Everest and singing crabs.

Discuss what you particularly liked about the book:

I liked the part where the honey/money machine stops making money and instead shoots honey everywhere.

Mention any dislikes about the book:

The only 2 words from page 174 to page 194 are 'up' & 'and'.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend this book for children in Maple class, and children near the end of Yr 2. I think that (apart from the fact it's not a comic) it's quite similar to the Benny and the Monkey books by Jamie Smart.
