Book Title: The dare game  
 Author: Jacqueline Wilson  
 Genre: Fiction

My star rating:   
 My name: Megan Martin

Briefly describe the book:

There is this girl called Tracy Beaker, she lives in a care home. When she skips school to meet some friends, Cam (her ~~3~~ not yet foster mum) finds out. Will her friends and her still be able to hang around with each other? They also have a dare game!!!

Discuss what you particularly liked about the book:

I liked that it was very funny and I just could not put this book down! I really hope other people will like this book to!!!!

Mention any dislikes about the book:

I didn't like that Tracy couldn't see her mum. It was horrible for her to be kept at a foster home (now she lives with Cam) although it creates a whole story!

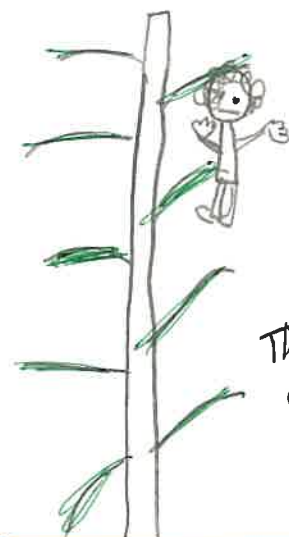

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend this book to fans of Jacqueline Wilson!! This is because this book relates to all the other J.W books. I can compare this book to the other Tracy Beaker books because in the other Tracy Beaker books they are based the same!
