Title: White Boots

Author: Noel Streatfeild

Non fiction Fiction ★ ★ ★ ★ ★

Who is your favourite character and why?

Lalla is my favourite character because she is funny, boastful and bossy.

What is the book about? Harriet was ill and is advised to skate by her doctor to get strong and healthy. While she skates at the rink she meets a new friend called Lalla. Lalla has an Aunt and she has very high expectations and Lalla is a brilliant skater though can be boastful and bossy. But as time goes on, Harriet gets better and better and Lalla becomes jealous. Will their friendship survive?

Who is this book suitable for and would you recommend it?

I would recommend this book for 9+ because it has some long and complicated words. I would definitely recommend this book to everyone and especially people who love ice skating.

What's your favourite part of the book? Why? My favourite part of the book is when Lalla fails her inter-gold badly. Lalla is reluctant to tell Aunt Claudia because she thinks she will disapprove of her. She comes to an agreement to tell Aunt Claudia about the inter-gold. I love Aunt Claudia's reaction when she hears what has happened to Lalla. It is very funny!
