Title: First Term at Malory Towers

Author: Enid Blyton

Non fiction Fiction ★ ★ ★ ★ ★

Who is your favourite character and why?
 Mary Lou is my favourite character because I find her funny. She has so many fears and follows Darrell around like a hero.

What is the book about? First term at Malory Towers is about this girl called Darrell Rivers. She is thrilled to start boarding school. Darrell becomes good friends with this girl called Alice and they love to get up to mischief. Though one person, Gwendoline wants to get revenge on them. Will Darrell be able to keep her fiery temper under control?

Who is this book suitable for and would you recommend it?
 This book is suitable for children aged 7-10. Yes I definitely recommend and I'm going to read the whole story's series.
 (I once you start reading you can't stop reading!)

What's your favourite part of the book? Why? My favourite part of the book is when Mary Lou jumps in the deep end and saves Darrell. It is such a shock for Mary Lou that everyone is cheering for her for gasing her fears. Mary Lou then believes she can do anything and soon after gases her fear of the dark!
