Book Review

Book Title: Matilda

My star rating: ★★★★★

Author: Ronald Dahl

My name: Lorelei Taylor

Genre: Fiction

Briefly describe the book:

Matilda is a five year old girl who is really smart and has really stupid parents. She has a horrid headmistress called Miss Trunchbull but her teacher Miss Honey is ~~is~~ a angelic person.

Discuss what you particularly liked about the book:

At the end of the book Matilda asks her parents if she can live with Miss Honey. They say yes and Miss Honey gives matilda ~~to~~ a massage hug; it's really nice and heart warming.

Mention any dislikes about the book:

I hate it when Miss Trunchbull gets angry when a child does something wrong she picks them up by their hair or ears and swings them around.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend it for 8 plus, because it is quite funny but also teaches you life lessons. It is similar to all of Ronald Dahl's books because he always tries to put serious and funny stuff in.
