Book Review

Book Title: Point Blanc
 Author: Anthony Horowitz
 Genre: Action

My star rating: ★★★★★
 My name: Elliot Miller

Briefly describe the book:

Its about a boy called Alex Rider, who sets off on a mission to stop Dr Grief (the headmaster of a school named point blanc on top of the Alps) ^{who} he is making a plan, he clones the other pupils and locks them up until Alex finds out and stops his plan to rule the world.

Discuss what you particularly liked about the book:

I liked the action, because it was always very suspenseful if Alex is going to die or not. It's also very intriguing because it leaves you on a cliffhanger at the end of each chapter.

Mention any dislikes about the book:

The only dislike is that the main character (Alex) also gets very lucky fighting enemies, but otherwise I really liked it.

Would you recommend this book, and if so, for whom?

Compare to other similar books you have read:

I would recommend this to people who like suspense. It is quite similar to James Bond in some ways.
