

ALWAYS MAKING THINGS

By Mark & Helen Johnson and Stewart Henderson

CHALLENGE

The very first verse in the Bible says:
'In the beginning, God created the heavens and the earth' [Genesis 1v1]. Today's song describes some of the things that God made, formed, dreamt, shaped, and grew. It's a wonderfully varied, colourful, incredible picture. (With some great fun rhymes too!)

Your challenge for today is to find as many of the images described as you can and make a vibrant collage of creation.

(Don't be limited by what's in the song.)

You might want to do this on the computer. Or you could even draw/paint each element. You get to choose!

When you have your '**Always Making Things**' collage, find or print a photo of your family, and stick it in the centre, as a reminder that we are 'the grandest design' of all God's creation!

TALK ABOUT

- **All the different types of things people make** (useful things, beautiful things, things to enjoy, things we couldn't do without, quirky, just-for-the-fun-of-it things). How many different types of 'makers' can you think of?
- **If you could make anything, what would you create?**

SHARE IT

Choose a friend or family member you can encourage. Put their photo in the middle of your creation collage and send it to them, with the message: **YOU ARE ONE OF GOD'S BEST IDEAS!**

DID YOU KNOW?

The Bible says we are all 'created in the image of God' - **which means we are ALL creative!**

**“YOU CAN'T USE
UP CREATIVITY. THE
MORE YOU USE, THE
MORE YOU HAVE.”**
