Comedy Night - Saturday 2nd March

There's not long to go until the SPSA Comedy Night! If you haven't already got a ticket, make sure you get one before they all go! The deadline for ticket sales is Tuesday 12th February.

Don't miss out!

Hockey match report

As you may know, St Peter's went through to the finals of the Year 6 Bartholomew hockey tournament, but then drew the match (nil-nil), resulting in a rematch between us and Standlake primary school. I'm sure, if you don't already know, you are itching to find out the result, and... **WE WON!!!** It was a close match, 1-nil to us! (Many thanks to Olly for our epic goal). We luckily scored near the end of the match, and the euphoria of scoring it was just as good as winning! We are now going to the district final on the 5th of February where we will play against other teams in our area.

Thank you to Mrs Glass for organising everything and to all the adults who came and supported us.

Well done St Peter's hockey team!

From your captain and your goalie, Ella and Rosie.

Apple Tree

Apple Tree would really appreciate a volunteer reader one afternoon a week. This could be a parent, grandparent, etc. If you have any time to spare, please speak to Mrs Gardner in Apple Tree. Thank you.

SPSA news

Fancy helping to keep the school pool open? We need parents/carers/grandparents to train as pool emergency responders.

It is a two day course where you will learn CPR, first aid and aquatic rescue. You don't need to be able to swim as long as wading is OK! The course will either be at our pool or Eynsham sometime in May.

The more people we have the easier it will be through the summer months. Many hands, and all that!

Please let me know if you are interested, and hopefully we can work out a good date.

Thanks, Clare Want

Clubs

We have some lunchtime clubs which are organised and run by children. This is the art club!

Dear everyone,

On Wednesday we voted for a children's quote of the term and the chosen quote was Olly Lewis in Willow class. We had lots of entries and it was really hard to pick a winner. The quote that Olly created was 'Creativity is imagination and to imagine you need to believe in yourself' and I am sorry for the people who did not win. We will say this quote at the end of every collective worship to inspire us during the day. We will have a new quote next term when the value will be patience.

A message from Mr Jeffries

Dear Parents and Carers,

It has been a fantastic sporting week at St Peter's! We are very proud of our year 6s who played magnificently against Standlake and won 1-0. It was a tremendous team effort and we now go through to the next stage of the West Oxfordshire Under 11 Mixed Hockey Tournament. We wish them the very best of luck.

You cannot have helped but notice the two table tennis tables on the playground outside Willow class. The bats and balls will be arriving next week and we are looking forward to, weather permitting, the children being out as much as possible and enjoying the new equipment. If like me the very sight of the tables gets your pulse racing, I propose a Staff v Parents tournament for later in the year!

A gentle reminder that the school gate and doors open at 8.40am. There are activities in class ready for when the children arrive so a child who arrives at 8.40am as opposed to 8.55am will have at least an extra hour of learning every week. Bargain!

The first real signs of winter arrived this week with a flurry of snow which was a cause of much excitement. In the event of significant snowfall, we will aim to notify you as soon as possible of any school closure to give you plenty of time to make childcare arrangements. If practicable we will do this the night before and in any event by 7.15am through the school website and our Facebook page.

Have a lovely weekend,

With warmest wishes,

Jon Jeffries
