THANKS FOR REMEMBERING  
THIS IS A

PEANUT/NUT FREE  
SCHOOL

We currently have three children who have serious nut allergies. Please remember that we don't allow any nuts or nut products in school. **This includes Nutella.** Thank you for helping us to keep St Peter's School a safe place.

# Bike night

**BAKE FOR BIKE NIGHT! CAKES NEEDED PLEASE! MORE CAKES = MORE £ FOR SCHOOL!**

As bikers roll into Cassington on bike night, the demand for tea and cake is huge! We need cakes ready for bike night so please plan in your baking time and bring your bakes to school on the **morning of Monday 24th June** so they can be used for the school bike night cafe (just outside the Apple Tree classroom for those who have not experienced the wonders of bike night yet!) Please drop cakes in to the table just past the reception area. Thank you from the SPSA!

\*\*\*\*\***HELP REQUIRED PLEASE!**\*\*\*\*\*

A HUGE THANK YOU to all who have kindly offered some time volunteering at Bike Night. I have started to fill the rota in, but we are only at about 10% of where we need to be in terms of volunteers.

Please consider offering a family member for an hour or so. Jobs include: marshalling the school field, cooking and serving at the BBQ, running the helmet store, help in the cafe. This is the biggest fundraiser of the year and in order for us to be able to raise a large pot of money, we desperately need people power! All monies raised go towards equipment, trips and treats for your children. Come and join us for an hour, then go round and enjoy the event! Did I mention that helpers get a voucher for a free burger/hotdog? A game changer, surely 😎

Please catch one of us listed if you are able to help:

- Lucy Brinicombe - Apple Tree
- Louise Judd - Oak
- Nav Dey - Maple/Willow

## Year 2 Parents

As you know your children took their KS1 SATs papers a few weeks back. They have all been marked and moderated now and so we wanted to give you the opportunity to see how they did, if you were interested. So next Wednesday 19th June after school at 3pm we will have their test folders out for you to browse through. It is an informal drop in, Parents Evening will follow in July.

Look forward to seeing you there.

## Cycling

Thank you very much to all the lovely people who helped the year 6s with their cycling course last week. Especially the ladies who stood in the rain during the test on the Friday! We can't run the course without you so we really appreciate all the help you have given us.

Whether the children passed their level 1 or 2, they have all learned a lot. Hopefully they'll continue to use their lifesaver checks!

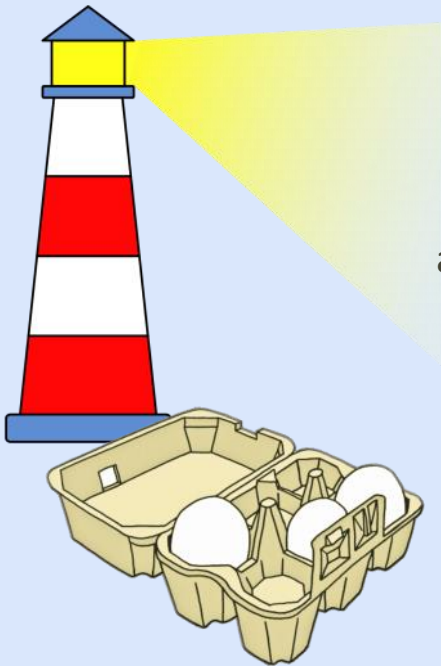

## Reins and child backpacks!

Apple Tree class would be grateful of any donations of children's reins or backpacks with the parent handle on them please. This is for our trip to Legoland.

Many thanks,  
Mrs Gardner

## To All Oak Class Parents & Carers,

Please could you bring in any junk modelling materials you may have at home for our DT project this term. We will be building models of lighthouses and cottages, using a pulley system, to accompany the story we are following of The Lighthouse Keeper's Lunch. We would be very grateful for any building materials such as: egg cartons, cereal boxes, kitchen rolls, larger boxes, smaller boxes etc.

Many Thanks,  
Mrs Bradley

## Prices

In September, Breakfast Club sessions will cost **£4** per session rather than £3, and nursery sessions will be going up from £13 to **£14.50**

We've been lucky enough to be able to keep the prices the same for the last 3 or 4 years, but unfortunately we now find that we need to raise them to keep up with inflation, and also to keep in line with other EPA schools.

# A Message from Mr Jeffries

Dear Parents/Carers,

The school council, after careful consideration, has whittled down the eleven charities to five based on the comments from the charity evening last term. They are all very worthy and it will be delightful to work with whichever charity wins. Thank you for all the community support on this – it has been a wonderful process for us all to have been a part of. The next stage is voting! The school hall will be a polling station on Wednesday 19<sup>th</sup> June. The school will be open for voting by adults (parents/carers/governors) from 8.40 – 9am and after school from 3-3.30pm. If you are unable to come to school, proxy votes are acceptable for a partner/husband/wife and we will also accept your vote by phone – please press option 2 and leave your name and vote. Children will be voting during the day. The winner will be officially announced as part of the St Peter's Day celebrations. To help inform your choice, pop in and see the information the children researched about the charities on the posters in the school entrance.

Today we are saying goodbye to Miss Watts who leaves us to start the next stage of her teaching career. Her intention was to be with us for the full academic year but she has been given a very exciting opportunity to start a teacher training programme before the summer. We wish her well and thank her for all her amazing contributions to the school. She has worked with every class during her time here and has also stepped in with stints in the office. Being so flexible and positive in her work are attributes that are going to make her a great teacher!

Our St Peter's Day celebrations are drawing ever closer and we very much hope you can join us on Friday 28<sup>th</sup> June from 1.30pm for songs, drama, art and cake! There will also be fun St Peter themed activities in the classrooms for you to try with your child.

Hoping for a drier weekend and a return to summer next week!

Best wishes

Jon Jeffries
