THANKS FOR REMEMBERING
THIS IS A

PEANUT/NUT FREE
SCHOOL

We currently have three children who have serious nut allergies. Please remember that we don't allow any nuts or nut products in school. **This includes Nutella.** Thank you for helping us to keep St Peter's School a safe place.

Bike Night

News

Card request

If anybody has any strong cardboard or large cardboard boxes that they don't need back, Willow class would be very happy to take them off your hands! They are after strong cardboard to make props and scenery for their upcoming performance of Treasure Island. They need it asap, but any time this week would be ok. Thank you!

Message from Clare Want -

I have lovely local Bartletts burgers for sale - £5 for pack of 10 frozen (that's cost price)
At least 10 packs available. Contact me for collection. Thanks

Football Cards Issues

We love to see the children engaging in different social activities at break/lunchtimes and if done in the correct spirit, football cards can be hugely enjoyable.

There has, however, recently been several incidents whereby cards have been taken or damaged resulting in understandable upset.

If your child collects football cards and brings them to school, please have a chat to them about how they are doing this in the context of our values and in particularly honesty and friendship. If it does come to light that they have cards that they shouldn't have, please discuss with them how the situation can be resolved so the cards can be returned to their rightful owner.

The easy option is to ban them but we would far rather work on living by our values and learning from mistakes.

Sports Day

St Peter's Day Celebrations

A Message from Mr Jeffries

Dear Parents/Carers,

What a week! Bike Night on Monday was incredible – it was fantastic to see the community working together so brilliantly. Hat's off to everyone on the BBQ – you all worked tirelessly. The children were great and really got stuck in. Well into the evening as it was starting to get dark, you were all still powering through and showing great resilience. Well done to all of you – you did yourselves and the school proud. Thank you also to all the parents who helped with the marshalling; it was a real eye-opener for me just how much effort goes in to putting on this event.

Wednesday was KS1/2 sports day. Thank you for the positive comments on the day and by email; it was lovely to see the children participating so well. All credit must go to Mrs Glass for her brilliant organising skills and to all the staff for helping the stations run smoothly. Thank you for all the parental and family support – the children really enjoyed having you cheering them on. A big well done to all who entered the skipping competition; I thought I had it won with 71 skips but Mrs Rees took it to a whole new level with 93—collect your prize from the office! This was followed on Thursday with Apple's sports day and picnic. Everyone had a lot of fun and again, it was really well supported.

Today we had wonderful weather for our St Peter's Day Celebration. It was lovely to see so many people from different parts of the community attending and enjoying our song, drama and art activities in the classroom. It has been a real team effort and I think the children were absolutely brilliant today. For anybody who was unable to attend, Emily has produced a small booklet with our vision, values and school song lyrics. These will be in reception if you would like to take one so you can sing along with your children at home! Work on our new website is underway and you'll be able to hear the song on the homepage once this is completed. Thank you to Mrs Faulkner, Mrs Pollard and team for organising the tea and cakes. It was incredibly busy and you did a grand job! Kate and Rosie— thank you for being so passionate about wanting to sell the cakes and producing the posters. We will miss your enthusiasm next year!

Have a lovely weekend and enjoy the sunshine.

Best wishes,

Jon Jeffries

Forest School Fun

&

Under The Trees

Summer Forest School

25th, 26th, 29th and 30th July

9.30-3.30

Are you looking for something fun for the kids to do in the summer holidays? Why not send them along for some Forest School Fun? They will spend the day outdoors playing, building, exploring, laughing, creating and making memories. There will be the opportunity to learn new skills; using tools safely to saw, drill or whittle - as well as making fires.

Numbers are limited so make a booking today!

£30 per child per day

Please send your child with a picnic lunch. Fruit, cooked morning and afternoon snacks and drinks will be provided.

Please email us to check availability. Booking forms can be found on the contacts page of our website

(www.forestschoolfun.co.uk) and are to be returned with payment to secure your place.

For more information on any of the above, email:

forestschoolbookings@gmail.com

Alex Rae and Kathryn Humphris are fully insured qualified forest school leaders. They have current Forest School first aid and a CRB.
