THANKS FOR REMEMBERING
THIS IS A

PEANUT/NUT FREE
SCHOOL

We currently have two children who have serious nut allergies. Please remember that we don't allow any nuts or nut products in school. **This includes Nutella.** Thank you for helping us to keep St Peter's School a safe place.

Information

Year 6 SATS breakfast

Each morning from Monday 9th May to Thursday 12th May, the year 6s are invited to our annual year 6 SATS breakfast!

This is a time for the children and staff to come together in a relaxed and informal way whilst making sure they have a good breakfast and any nerves they may have can be (hopefully) forgotten about!

Please bring the year 6s in through the main entrance (other breakfast clubbers will need to go through the side gate as usual). Please try and encourage your child to attend each day if they can—they usually really enjoy it!

Drinking water

Please remember that the children shouldn't be having juice in their bottles. Juice is fine in their packed lunch, but they should only have water in their water bottles.

Thank you.

Fresh eggs

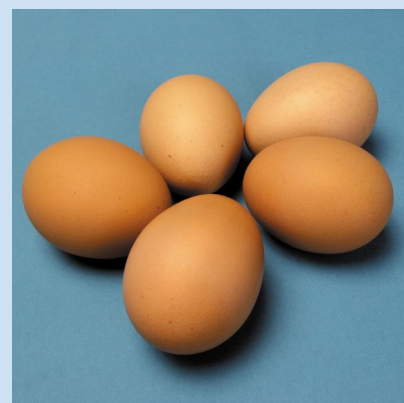

We are now getting 5 delicious eggs a day from our lovely rescue chickens. (Mrs Cluckington is now back to full health so is happily laying again!)

If you would like some of our delicious eggs, we are asking for a contribution of

£1 for 4, or £1.50 for 6

which we will put towards the cost of their food.

If you would like some, please email me in the office and I'll pop your name on the waiting list!

Awards of the Week

If your child has an award below, you are invited to join us for our Celebration Assembly next Friday at 9 o'clock in the school hall:

Class	Special Award Term Focus - Responsibility	Star Award

This Week's Big Question

This is the big question that we talked about in collective worship this week.
How about having a discussion about it at home?

What does it feel like when someone encourages you, and what does it feel like when you are encouraging someone else?

'R' of the Term

Responsibility

Picture competition winner to be announced next week!

Your children will recognise these posters from their class. You may find these useful to use at home and to help reinforce what we are doing in school.

A Message From Mr Jeffries

Dear Parents/Carers,

I hope you all had a lovely Easter and you were able to make the most of the sunny weather – fingers crossed it will return again soon! This is a very short term with a lot to pack in including SATs week for year 6s which begins on Monday 9th May. We will also be having an EPA sports day, Apple Tree are going to the story museum and Willow will be having a museum workshop. There is lots more planned for after half term too.

Please check in your children's bags for their entry form for a school competition. We are introducing a new R – responsibility. The children came up with lots of ideas of animals which show responsibility. The final choices were between bees, ants, wolves and dolphins. It was a very close vote with great reasons why each of them could have been chosen. The most votes were cast for wolves because of the way they all take responsibility for each other in the pack. Please return completed pictures to the class teacher by Thursday 5th May.

Swimming: Following an external review of our provision for swimming the school pool will not be open this year and years 5 & 6 will be attending the Windrush Leisure Centre this term to ensure that we are in line with the national curriculum expectations and outcomes. The SPSA have very kindly donated £500 to help with the cost of this to ensure our request for parental voluntary contributions remain reasonable. The school, wider EPA, governors and SPSA will hold an open meeting next academic year to discuss the future opening and running of the school pool.

Enjoy the extra long Bank holiday weekend.

Warmest wishes,

Jon Jeffries

#100orMoore Challenge

SPSA have a challenge for our children. Continue Captain Tom Moore's legacy by completing 100 or more of something whilst raising money for the school!

April 4th - May 4th 2022

Dear Parents/Carers,

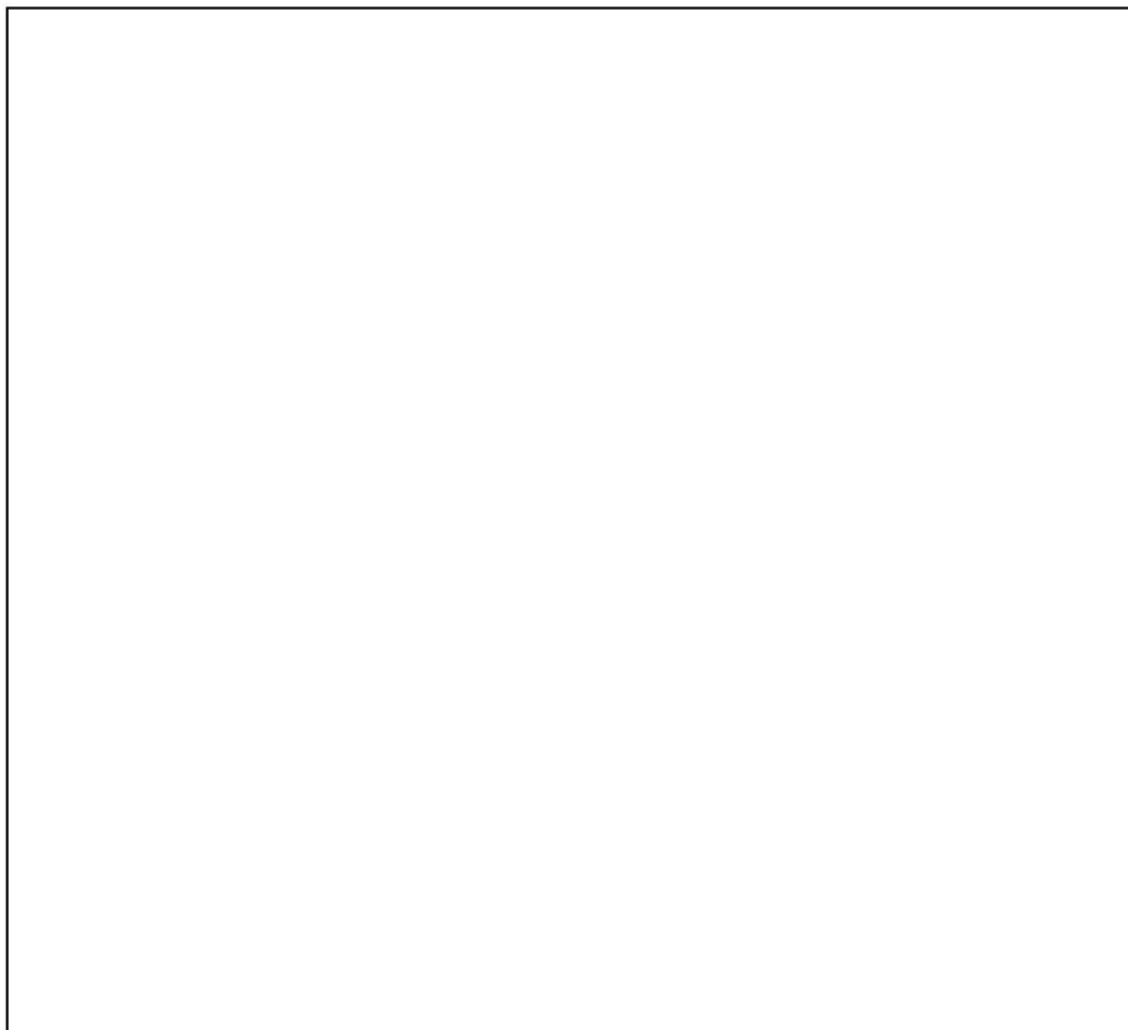

This term we are building on our learning powers that help us to become good learners. The children are now very familiar with our 4Rs of Reciprocity, Resourceful, Reflection, and Resilience. We are now working on a fifth R of **Responsibility**.

We have discussed why responsibility is so important in assemblies and the children have come up with some fantastic suggestions of what this looks like.

As a school we have chosen a **WOLF** as the animal that best represents responsibility and we are now asking children to draw their best **WOLF** which will be on the posters in school.

Please encourage your children to take part in this and return drawings by Thursday 5th May. We will announce the winner in the Friday celebration assembly.

#100orMoore Challenge

April 4th - May 4th 2022

SPSA are challenging all children, parents, grandparents, teachers and Cassington community to continue Captain Tom Moore's legacy by completing a 100 of 'something' to raise money for St Peter's School. Last year's 100orMoore challenge was a massive success and was thoroughly enjoyed by all, whilst raising over £1200!!

We are asking all participants to choose a challenge that suits them best. The challenge can be anything: it could be reading 100 pages of a book, 100-star jumps, bake 100 cakes, plant 100 seeds. The list is endless!

The challenge can be completed over a 4-week period - 4th April to 4th May 2022. We just ask that it is safe and Covid safe, they complete it 100 times and more importantly they have fun while they do it. You can complete as many challenges as you like.

We are asking you and the wider community to support this challenge and fundraiser as raising money this year and previous years has been affected due to COVID. One of our biggest fundraisers each year is through Cassington Bike Night which thankfully is back on again this year. YAY!! But lets build on that pot..

SPSA still want to support St Peter's children by being able to contribute to school trips, school equipment and much much more.

To give you an idea of how much we can raise:

If 100 children each raise £15.00 we raise £1,500.

If 100 children each raise £20.00 we raise £2,000

If 100 children each raise £25.00 we raise £2,500

If 100 children each raise £30.00 we raise £3,000

Each child will receive a certificate for taking part at the end of the event.

Please return the challenge form to your child's class teacher by **Wednesday 4th May 2022**. Certificates will be given out that week.

Sponsorship money can be given to the school in cash in a sealed and named envelope and a link will be sent out separately for online payments. If you have any questions please do not hesitate to ask one of the SPSA team.

We are looking forward to seeing what you come up with. Good Luck!
