All clubs and classes back as normal in September

A Message From Mr Jeffries

Dear Parents/Carers,

It has been absolutely wonderful to see you all again and for the children come back to the new term with such smiles on their faces and enthusiasm for learning.

We are now back to having collective worships in the hall together – the first time in over 18 months that we have been able to do this. We sang ‘Together’ as our first song – your children may be able to sing a few lines of it to you! We looked at the Home School Agreement as a school and reminded ourselves of its importance. Please look at this with your child (<https://www.st-petersoxon.co.uk/home-school-agreement/>) over the weekend and sign the slip that will be brought home in bookbags today. There are rewards in class for the first teams to bring back their completed slips!

Now things are opening up more, the teachers would like to invite you into the classes for curriculum meetings over the next few weeks so they can explain class routines and what the children will be learning and also give you the opportunity to ask any questions.

Apple Tree – Tuesday 7th September 3-3.30pm

Oak – Thursday 23rd September 3-3.30pm

Maple - Tuesday 14th September 3-3.30pm

Willow - Wednesday 15th September 3-3.30pm

Towards the end of last term we understood the struggle some families faced with buying uniform so close to the end of term, when children had been out of school due to lockdown for some significant time. Now things are back to normal in the new school year we now need school uniform (including footwear) to be strictly adhered to, so all children are following the school rules. Our uniform list is here <https://www.st-petersoxon.co.uk/uniform-information/>

Covid update – see below for current guidance that we are following:

- Pupils, staff and other adults do not enter the school premises if:
 - They have any symptoms of coronavirus.
 - They have tested positive for coronavirus in the last 10 days.
 - They are required to quarantine having recently visited countries outside the [Common Travel Area](#).
- Children are no longer required to self-isolate if they are identified as a close contact of a positive case. Instead, pupils will be advised by NHS Test and Trace to take a PCR test and will only need to isolate if they produce a positive test.
- NHS Test and Trace service will inform staff and pupils if they have been in close contact with a positive case of coronavirus and will advise them to take a PCR test.
- The school continues to work with local Health Protection Teams in the event of a school or local outbreak.
- Staff members and parents are informed that they will need to engage with the NHS Test and Trace programme if they are contacted, meaning they need to be ready and willing to:
 - Book a PCR test if they (or their child) display symptoms.
 - Provide details of anyone they (or their child) have been in close contact with if they were to test positive for coronavirus or are asked by NHS Test and Trace.
 - Take a test if they have been in close contact with someone who develops coronavirus symptoms or someone who tests positive.
 - Self-isolate if they display symptoms or produce a positive test.

Best wishes,

Jon Jeffries
