THIS IS A

PEANUT/NUT FREE  
SCHOOL

We currently have two children who have serious nut allergies. Please remember that we don't allow any nuts or nut products in school. **This includes Nutella.** Thank you for helping us to keep St Peter's School a safe place.

Life is better  
with friends :)

## Wednesday is Friendship Day

The Pupil Voice Leadership Group are organising a Friendship Day on **Wednesday 19<sup>th</sup> July** - on this date everyone can come in non-school uniform!

## YEAR 6s

*Could all year 6s please bring in their sweatshirts to wear at the end of term service on Wednesday, and so we can take photos of your child leaving in their uniform!*

*Also, please make sure that they have a change of clothes and a towel for the water fight, and also a spare school uniform shirt if they want them to get it signed at the end of the day.*

*Just to clarify—parents are invited to the leaver's service (in church at 9:15) and to take photos as the year 6s leave through 'the arch' at 1:15pm. The water fight and BBQ is children (and staff) only. They will still need lunch as usual!*

## Wednesday After School

On Wednesday afternoon, when the children finish, there will be an **ice-cream van** outside the school gates (so please remember to bring some pennies if your child would like one!)

There will also be a **bouncy castle** in the Red Lion garden (weather permitting) and the Year 6s will be having a **BBQ** and games at school.

**Please** make sure you clear all balances for Breakfast Club / After School Club / Nursery fees **BEFORE** the end of term, so that I can submit the bank account reconciliations. If you have any queries, please speak to me as soon as possible. (Please note—I don't work in the holidays!) Thank you.

## Governor Newsletter - End of Summer Term 2023

Welcome to the end of summer term newsletter for this academic year, especially to the new families that have joined our fantastic school. As governors, we support the school to ensure that it continues to be the best education for all our children. We are always happy to hear your views.

We firmly believe in our school vision and values and aims. We are confident that these will ensure the school will continue to provide an excellent education and to enable the children to flourish intellectually and spiritually.

### St Peter's Day:

We hope you all enjoyed the event to celebrate St Peter's Day, and 50 years of St Peter's school, with the children participating in plays and country dancing, and joining Rev Duncan Fraser in performing the school song. We celebrated the event with current pupils and staff and were delighted that a previous St Peter's headteacher and teachers were able to attend and share their memories from many years ago.

We also celebrated our new St Peter's Rock Garden, which represents our values wheel. Thank you to new governor Helen Barr for leading on this project.

### A Busy Year

The 50<sup>th</sup> anniversary of the school has coincided with the 900 years of St Peter's Church, our Ofsted inspection in November and our SIAMS Inspection in March.

It is therefore fitting to reflect on where we are now as a school, and to revisit a few of the many highlights from the reports.

There are clear messages and themes in both reports. Through our vision and values, our hope for the children is that they look beyond themselves and are advocates for change, so they feel empowered to help shape a kind and caring world. From the quotes in both reports it is clear that the children do this exceptionally well.

### Ofsted Quotes

Pupils develop into responsible citizens.

Children say they are "change makers" and rightly are very proud of their endeavours.

Pupils take on leadership roles such as pupil voice and chicken leaders.

Pupils organise school events, raise money for charity and initiate change.

### SIAMS Quotes

The dynamic curriculum provides rich opportunities for pupils to explore their own spirituality and look beyond themselves.

Pupils use their wisdom to be advocates of change in their local area and show they have 'hearts that love'.

Pupils undertake many projects for others, often initiated by themselves.

Pupils encounter resilience and courage by meeting a wide range of visitors who have overcome barriers in life. This has a powerful, aspirational impact on everyone at the school.

## The Governing Body:

Executive Headteacher: Mr Jon Jeffries

Staff Governor: Mr Rob Miles

Clerk: Jonathon Smith

Chair of Governors & Co-Opted Governor: Anne Armitage

Vice Chair: Jan MacDonald

Parent Governors: Hannah Want, Ed Black, Matt Dixon.

Foundation Governors: Duncan Fraser, James Paulin, Helen Barr

Trust Appointed Governor: Iain Horner

## Introducing our new Governors:

Helen Barr

I became a Governor of St Peter's in March 2023. I have lived in Cassington for nearly twenty years and have been volunteering at the school to help with reading and after school club. Most of my working life has been spent at the University of Oxford as a Professor of English Language and Literature where I was also Vice Principal at a college and Head of Welfare. I am a qualified counsellor and have worked at the University Student Counselling Services. While I still write professionally, I am pleased to have more time for classical music, swimming, cycling, cooking, and dog walking. I am interested in all the arts and have followed football and tennis since I was ten. I deeply admire the vision and values of St Peter's School and I look forward to helping out in any ways that might be useful.

Matt Dixon

I have three children at St Peter's, who all started in Apple Tree class. It has been a privilege to see how the school's nurturing and values-led environment – the place, the staff, and the wider community – has developed them and their peers.

I have worked for many years as a business and technology adviser in the finance, software and media sectors, including in education. Before that I studied English and Modern Languages, and from an early age I have also maintained a keen interest in maths and computing. I am passionate about these subjects and how education, especially in the early and primary years, lays the foundation for stimulation and fulfilment throughout life.

In my spare time I enjoy the garden, being otherwise outdoors, and spending time with friends and family.

## Update regarding Mr Jeffries' Executive Headteacher role:

Mr Jeffries is currently acting in Executive Headteacher role between St Peter's and Fritwell. This is a supportive role in the interim while Fritwell go through the academy conversion process to join the EPA, with a scheduled completion date of 1<sup>st</sup> October '23. We will update you further upon completion of the conversion process.

## Key development actions for next year:

- Maths mastery embedded across the school.
- Work on behaviour and attitudes through growth mindset
- Sharing messages in collective worship with parents through the newsletter
- Developing the curriculum for and raising the profile of art, DT, and computing

## Thank you

As a governing body, we would like to thank all the children and staff at St Peters for making this the wonderful school that it is, and for all their hard work over this past academic year.

We would also like to thank the SPSA for all their dedicated hard work in raising funds for the school, enabling the children to attend school trips, and providing for other items needed for the school.

Our thanks also go to all the all the volunteers that support the school, and the parents and carers for all their support and dedication to making St Peter's the wonderful community it is.

Finally, farewell to all year 6 pupils, their parents, and carers, and thank you for all that you have contributed to the school community.

We wish you a lovely summer holiday, and time with your family and friends, and we look forward to the new September term.

## St Peter's School Association (SPSA)

The SPSA is essentially the school's PTA where parents raise funds for the school to make a difference to all our children's experience there.

We are small and mighty group with big ideas and would love others to join us. We usually meet on the first Tuesday evening of every month, but you can also support us by getting involved in the various events, coming up with ideas and organising activities.

### SPSA Fundraising and Impact

Despite scaling back our fundraising, parents helped us **raise almost £8,000** between April 2022 and April 2023. During the last school year (22/23) we **donated £10,451** to the school – that's **£85.66 per pupil**.

- **£3,000** was given to the school to **subsidise school trips** to reduce the cost for parents
- The SPSA paid **more than £2,000** to send all the children to the **pantomime** in Oxford
- **£3,388** was spent on the **playground**, providing a range of activities and games at playtime, as well as a netball court for the school netball club.
- The Easter Bunny was able to leave **£165-worth of Easter eggs** at the end of the Spring term.
- A further **£1,590** was spent to **subsidise swimming lessons** for all Maple and Willow classes, **reducing the cost from £105 to £55**, making a curricular activity more affordable for everyone.

With the cost of living crisis among us all, including the school, we know that the SPSA is a precious source of funding to help all our children get the best from their school, giving them opportunities to learn away from the classroom, explore museums, visit theatres and take part in new activities. Support from parents is crucial to help make this happen.

## How can you help?

We know that everyone is busy – sometimes it's just not possible to help, but a little goes a long way!

We would love to hear new social and fundraising ideas that we could take forward together! You can either reach out to members of the committee (details are in the school reception) or come to one of the monthly meetings, which usually happen on the first Tuesday of every month. Details are circulated in the newsletter and on the family school Facebook group.

**We have two big fundraising events where support from parents across the school is really important.**

**Bike Night** is our biggest fundraiser. Thousands of bikers from around the country come to Cassington on the last Monday of every June. We run a barbecue, helmet store, café and shake buckets. In 2023, we were delighted to raise more than £6,000 – a new record!

**Christmas** is when we aim to run a series of events, including a Christmas Fayre open to the community, a raffle supported by local businesses and Christmas cards designed by the children. Planning for this will start soon in the Autumn term.

If you would like to organise any additional events, please let us know!

# A Message From Mr Jeffries

Dear Parents/Carers,

Another academic year comes to an end! We will miss the children (and families) who are moving on from St Peter's this year and wish you all the best for the future. Don't be a stranger - it is always lovely to hear how you are doing so please do come along to St Peter's events and say hi!

It has been a wonderful year for the school and there have been so many highlights. It is down to the incredible hard work and dedication of the staff and children alongside the fantastic support from families and governors; together, the whole community makes a very special team.

In terms of achievement, in raw data terms, we can be very proud:

EYFS Good Level of Development: 92%

Year 1 phonics Screening 87%

KS1 Reading (71%), Writing (65%), Maths (71%)

Year 4 multiplication check: 100%

KS2 Combined (Children being at the expected standard in reading, writing and maths) 80%. Compared with 58% nationally.

A truly amazing year – everyone certainly deserves a good rest!

Thank you as always to the SPSA and all the parental help we have had this year. We couldn't have put on some of the events without your help and the community support for Bike Night was immense!

Hopefully we will see a return of some sunshine and you make some wonderful summer memories with your families.

With very best wishes,

Jon Jeffries

# IMPORTANT WASH CARE INSTRUCTIONS

**BRIGADE**

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

### Washing symbols and their meaning

# 2023, A Year in Cassington\*

## PHOTOGRAPHY COMPETITION

**In case you missed it, next year CAWN will be running a photography competition to capture a snapshot of life in Cassington in 2023 as part of the celebrations of 900 years of St Peter's Church.**

To re-cap, there will be a new topic each month with prizes for the best photographs in both under 16 and over 16 categories. Twelve of the winning photographs will feature in a calendar for 2024 and, together with many of the other entries plus images and stories from the past, feature in a Commemorative Book we aim to produce to mark this milestone.

The topics are hopefully broad enough to allow you to capture whatever, wherever or whoever is important to you, and between us we can create an exciting record of our village and our community. Here's your first topic ...

### JANUARY'S TOPIC

## Cassington Celebrates

**Entries to [chinton260@outlook.com](mailto:chinton260@outlook.com) between 1st and 15th January**

**The December topic is 'St Peter's Church' and entries for this can be submitted at any time during the year up to the 15th November 2023 so that we can ensure the calendar is available in time for Christmas.**

A reminder and submission details will be published every month, but meanwhile here are the basics ...

- Submissions will be judged blind and there will be prizes
