After School Club

To give our children the best experience possible, we are continually revising our offer to children in after school club. This term we are lucky enough to add some great activities to our timetable which are optional for the children to join in. These will be lead by people with a particular interest or expertise in their field.

Mondays

Arts and Crafts with Mrs Metcalf

Tuesdays

Dr Helen Barr leading a storytelling and drama workshop

Wednesdays

Dance class with Mrs Moril Gomez

And from next term, we will have Kathryn Humphris leading a forest school session on Thursdays.

Please see the timetable below for details of the activities we will be offering each day. If you would like your child to attend after school club and they have never been before, please email the office for a form and Emily will add you to the ParentMail booking system.

IMPORTANT

Please do not park on the bend by the Chequers pub when dropping off or collecting your children from school. It makes it incredibly hard for vehicles to pass safely and there have been a few 'near misses'. If there is no space in the village hall car park or in the layby on the road, there is usually lots of space in Bell lane. This is just down the footpath by the school. If you aren't sure where, please ask in the office.

Like many other villages, Cassington now has a 20mph speed limit, so please drive slowly and carefully. Thank you.
